

# Ellie Minibot - I Don't Want To Be An Engineer

tom:

[Primeira Parte]

Eb D7  
 I don't want to be an engineer  
 Gm Gm  
 I tried so hard and got so far and now I can't decide  
 Eb D7  
 All my life I've given my career  
 Gm Gm  
 These numbers in my head keep on spinning round and round,  
 yeah  
 Eb D7  
 I can only guess  
 Gm  
 What's right  
 Gm  
 Should I stay three more years just to waste away?  
 Eb D7  
 Become a slave to all these numbers  
 Gm Gm  
 It's overdue, all the stress yet I say I'm fine  
 ( Eb D7 Gm Eb D7 Gm )

[Pré-Refrão]

Eb D7  
 Working overtime, trying to finish this in time  
 Gm Gm  
 Got myself into this mess, can I really pass this test, yeah  
 Eb D7  
 X, Y, Z, yeah, teach me how to breathe  
 Gm Gm  
 I'm suffocating deep inside, I can't deny I've tried to quit

[Refrão]

Eb D7  
 All my life I've failed  
 Gm Gm  
 To be, the one, to meet these expectations  
 Eb D7  
 All my life I've tried  
 Gm Gm  
 Now all the stress to fill those answers

[Segunda Parte]

Eb D7  
 A, B, C finding all these numbers  
 Gm Gm  
 Integrate, differentiate, it's getting old, yeah  
 Eb D7  
 5, 4, 3 Finding all these numbers  
 Gm Gm  
 Calculate, no mistake it's getting old, yeah  
 Eb D7  
 I can only guess  
 Gm  
 What's right
