

Elliot James Reay - Boy In Love

tom:
Intro: E Dbm E Dbm

Never been easy to please

Always been best on my own

I don't need her to be kind

I get my kicks all alone

I don't do walks on the beach

I don't get dress up for a shows

She got me good

I feel like a boy in love
(Dbm E Dbm)

My hearts been bruised like a peach

My souls been set like a stone

But now when Sam Cooke sings

She's got me whistling along

I didn't think I could care

But now I wait by the phone

She got me good

I feel like a boy in love
(Dbm E Dbm)

Mercy please

Suddenly I'm crawling to her on my knees
(Oh) Mercy please

Suddenly I need her like a harmony

Because she talks and she walks like a woman

She makes me feel like a boy when I shouldn't

Oh she got me good

I feel like a boy in love
(Dbm E Dbm)
(E Dbm E A B)

Well now I'm eager to please

When my lady is home

I'll give her XYZ

So I can call her my own

I used to act like a man

But what did I ever know

She got me good

I feel like a boy in love
(Dbm E Dbm)

Mercy please

Suddenly I'm crawling to her on my knees
(Oh) Mercy please

Suddenly I need her like a harmony

She is the subject of all my desire

Until I found her I was merely a liar

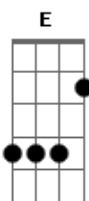

Oh she got me good

I feel like a boy in love

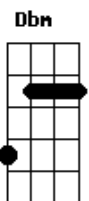

Oh she got me good

I feel like a boy in love
