Well, I didn't know what I wanted
Am **D7**
Till you walked through that door
G **Em**
Now my heart is set upon it
Am **D7**
Set upon being yours

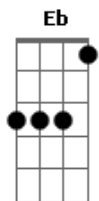

Bm **Em**
I'll be smiling all the while, oh, you kick me
Am **D7**
But dreaming of the day you're gonna kiss me
Bm **Em**
I'm hoping that someday you're gonna miss me
Am **D7**
I know you will

Am **D7**
But when you look that good
G
You know you could break my heart in two
Em **Am** **D7**
And so that's the risk I'll have to take
G
I can't stay away
(**Em Am D7**)

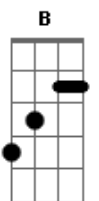

G **Em**
Oh, oh
G **Em**
Well, my eyes didn't quite believe it (No, they didn't)
Am **D7**
When you danced over to me (Oh, yes, you did)
G **Em**
And when I asked what you were drinking
Am **D7**
You left immediately

Bm **Em**
I'll be talking even if you never hear me
Am **D7**
