

Elliott Smith - Between The Bars

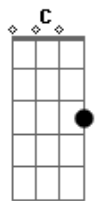

Tom: C

Verse 1

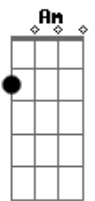

Am
Drink up baby
F
stay up all night
C the things you could do **C** you won't but you might
the **Am** potential you'll be
but you'll never see
the **C** promises you'll only make **E** **F**
Am drink up with me now
and forget all about
the **C** pressure of days do what I say
Am and I'll make you ok
and drive them away
the **C** image is stuck in your head **E** **F**
F **G** **Am**
people you've been before

that you **Fm** don't **G** want **Am** around anymore
that **F** push and **G** shove and won't **Am** bend to your will
F I'll keep them still
Am
drink up baby
F
look at the stars
I'll kiss you again **C** between the bars
where I'm seeing you there
with your hands in the air
waiting to finally be caught
drink up one more time
and I'll make you mine
keep you apart deep in my heart
separate from the rest
where I like you the best
and keep the things you forgot
