

Elliott Smith - Cant Make A Sound

tom:

Em

I have become a silent movie / Where the hero killed the clown

Can't make a sound / Can't make a sound / Can't make a sound

Nobody knows what he's doing / Still hanging around

Can't make a sound / Can't make a sound

Can't make a sound / Can't make a sound

The slow motion moves me

The monologue means nothing to me

Or lose the one thing found

Spinning the world like a toy top / 'Til there's a ghost in every town

Can't make a sound / Can't make a sound

Can't make a sound / Can't make a sound

Eyes locked and shining

Can't you tell me what's happening?

Why should you want any other / when you're a world within a world?

Bored in the role, but he can't stop / Standing up to sit back down
