

# Elliott Smith - Kings Crossing

Tom: Ab

(com acordes na forma de F )  
Capotraste na 3ª casa  
King's Crossing  
Figure 8

Capo 3rd Fret  
Intro:

The King's crossing was the main attraction  
Dominoes falling in a chain reaction  
The scraping subject ruled by fear told me  
Whiskey works better than beer  
The judge is on vinyl, decisions aren't final  
And nobody gets a reprieve  
And every wave is tidal  
If you hang around you're going to get wet

Dm  
I can't prepare for death any more than I already have

Verse:  
Am F  
All you can do now is watch the shelves  
C G Dm  
The game looks easy, that's why it sells

Chorus:  
C B  
Frustrated fireworks inside your head  
Am G F  
Are going to stand and deliver dark instead  
C B  
The method acting that pays my bills  
Am G F  
Keeps the fat man feeding in Beverly Hills  
C B  
I got a heavy metal mouth, it hurls obscenity  
Am G F  
And I get my check from the trash treasury  
C B

Because I took my own insides out

Am F  
It don't matter cause I have no sex life  
C G Dm  
And all I wanna do now is inject my ex-wife  
Am  
I've seen the movie  
F C G Dm  
And I know what happens  
Am  
It's Christmas time  
F  
And the needle's on the tree  
C G Dm  
A skinny Santa is bringing something to me  
Am  
His voice is overwhelming  
F  
But his speech is slurred  
C G C G C F  
And I only understand every other word

Open your parachute and grab your gun  
Float down like an omen, a setting sun  
Read the part and return at five  
It's a hell of a role if you can keep it alive  
But I don't care if I fuck up  
I'm going on a date  
With a rich white lady  
Ain't life great?  
Gi'me one good reason not to do it  
(Because I love you)  
So do it.

This is the place where time reverses  
And dead men talk to all the pretty nurses  
Instruments shine on a silver tray  
C G  
Don't let me get carried away  
C G  
Don't let me get carried away  
C G Dm  
Don't let me be carried away
