Elliott Smith - Needle In The Hay

Tom: C

```
                                                        Now on the bus
    _____INTRO x2_____
   / _____      \
  /                                           \

                _____                _____VERSE 3 x4_____
               /           \              / nearly touching this dirty retreat,      Falling out
              /             \            /                                              \
                            Needle in     6th and Powell a dead sweat in my teeth,   Gonna walk,
  _____CHORUS x2_____    walk, walk
                 last time go to FINAL CHORUS\    4 more blocks, plus the one in my brain    Down
                                              downstairs
    the hay        Needle in the hay           To the man, He's gonna make it all OK    I can't be
                                              myself
  _VERSE 1_(1ST time x2)_(2nd time x4)_(3rd time x2 to )_   I can't be myself, then I don't want to talk  I'm taking the
 /                                           \   cure
```

    Your hand on his arm, the hay stack charm around your neck
Strung out and thin, calling some friend trying to cash some
check

```
    So I can be quiet wherever I want,       So leave me
   alone
```

    He's wearing your clothes, head down to toes, a reaction to
you   back to
You say you know what he did, but you idiot kid, you don't
have a clue   CHORUS

```
                                         You ought to be proud that I'm getting good marks
    _____VERSE 2_____      _____FINAL CHORUS x2 (2nd time from )_____
   /                              Back to             /
  CHORUS
```

He's acting dumb, that's what you've come, to expect   Needle in the hay

Sometimes they just get caught in the eye, you're pulling him
through

```
