

# Elliott Smith - Oh Well Okay

Tom: C

here's the silhouette the face always turned away  
 the bleeding color gone to black dying like a day  
 couldn't figure out what made you so unhappy  
 shook your head to say no no no  
 and stopped for a spell and stayed away  
 oh well okay  
 i got pictures i just don't see it anymore  
 cos it's hard to tell it's hard to say

climbing hour upon hour through a total bore  
 with the one i keep where it never fades  
 in the safety of a pitch black mind  
 an airless cell that blocks the day  
 oh well okay the em of the solo starts on "okay"  
 if you get a feeling next time you see me  
 do me a favor and let me know  
 cos it's hard to tell it's hard to say

## Acordes
