

# Elliott Smith - Rose Parade

tom:

[Primeira Parte]

They asked me to come down and watch the parade  
 And to march down the street like the duracell bunny  
 With a wink and a wave from the cavalcade  
 Throwing out candy that looks like money

To people passing by that all seem to be going the other way  
 Said won't you follow me down to the rose parade?

[Segunda Parte]

Tripped over a dog in a choke-chain collar  
 People were shouting and pushing and saying  
 And when I traded a smoke for a food stamp dollar  
 A ridiculous marching band started playing

And got me singing 'long with some half-hearted victory

## Acordes

song

[Refrão]

Won't you follow me down to the rose parade?  
 Won't you follow me down to the rose parade?  
 Won't you follow me down to the rose parade?

[Terceira Parte]

The trumpet has obviously been drinking  
 'Cos he's fucking up even the simplest lines  
 I'd say it's a sight that's quite worth seeing  
 It's just that everyone's interest is stronger than mine

And when they clean the street I'll be the only shit  
 That's left behind

[Refrão]

Won't you follow me down to the rose parade?  
 Won't you follow me down to the rose parade?  
 Won't you follow me down to the rose parade?
