In that part where it goes "sooner or laaaaaaterrrrr" there's a little fill that goes like this.

the second guitar part in the verse is like this

Where it goes "She'll decide what she wants", it goes

And where it goes " iiiiiiiiiiiiiiiiiiiisssssss" the second guitar plays this

With all these parts it may look complicated, but if you have two guitarists it is incredibly easy. Stay posted for "Between The Bars", "No Name #3", and hopefully "Angeles".
