Repeats over and over:

D A E Gb

i gotta be myself

i cant be no one else

im feeling supersonic
give me gin and tonic

you could have it all
but why would you want it

you make me laugh

give me your autograph

can i ride with you
in your bmw

if you sail with me
in my yellow submarine

you need to find out

because no ones gonna tell you
what im all about

you need to find a way
for what your wanna say

but before tomorrow

because my friend said
hell take you home

sit in a car all alone

he lives under a waterfall

nobody can see him
nobody can even hear him call

nobody can even hear him call

you need to be yourself

you cant be noone else

i know i got a ulcer
shes into alcaseltzer

shes slips it through her ?
on a supersonic train

and she makes me laugh

i got her autograph

shes done it with a doctor
on a helicopter

if theres people talking business
you are just a misses

when you find out

noones gonna tell you what were all about
you need to find a way
for what you wanna say

but before tomorrow

theres no one here to take you home

sit in a car all alone

he lives under a waterfall

nobody can see him
nobody can ever hear him call

nobody can ever hear him call
