

# Elliott Smith - Twilight

Tom: C  
Intro: F7

F7  
Haven't laughed this hard in a long time,  
Am G F C  
Better stop now, before I start crying.  
F7  
Go off to sleep in the sunshine  
Am G F C  
Don't want to see the day when it's dying.  
D  
She's a sight to see  
F7  
She's (a) good to me  
Am G F C  
But I'm already somebody's baby.  
D  
She's a pretty thing,  
F7  
She knows everything  
Am G F C  
But I'm already somebody's baby.  
F7  
You don't deserve to be lonely,  
Am G F C  
But those drugs you got won't make you feel better.  
F7  
Pretty soon you'll find its the only  
Am G F C  
Little part of your life you're keeping together.  
D  
I'm nice to you,  
F7  
I could make it through  
Am G F C  
But you're already somebody's baby.  
D  
I could make you smile,  
F7  
If you stayed a while

Am G F C  
But how long will you stay with me, baby?

Solo:

F7  
Because your candle burns too bright  
Am G F C  
Well I almost forgot it was twilight.  
F7  
Even if I think that you are right  
Am G  
Well I'm tired of being down,  
F C  
I got no fight.  
D  
You're wonderful  
F7  
When its beautiful  
Am G F  
But I'm already somebody's baby.  
D  
If I went with you,  
F  
I'd dissappoint you too  
Am G F (RIFF 1)  
But I'm already somebody's baby.  
Am G D  
Already somebody's baby.  
( F (riff 2) Am )
