

Elton John - All quiet on the western front

Tom: F
Intro: C F G C F G

C C F Dm F C
All quiet on the Western Front, no- body saw
C C F Dm F C
A youth asleep in the foreign soil, plan- ted by the war
F F C F F G C
Feel the pulse of human blood pouring forth
F F C F F G C Bb
See the stems of Europe bend under force
Bb Gm
All quiet
Em Am
All quiet
C G C
All quiet on the Western Front

C C F Dm F C
So tired of this garden's grief, no- body cares
C C F Dm F C

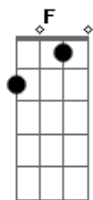

Old kin kiss the small white cross, their only souvenir
F F C F F G C
See the Prussian offense fly, weren't we grand
F F C F F G C C
To place the feel of cold sharp steel in their hands
(Chorus)

C C F Dm F C
It's gone all quiet on the Western Front, male angels sigh
C C F Dm F C
Ghosts float in a flooded trench as Germany dies
F F C F F G C
Fever reaps the flowers of France, fair-haired boys
F F C F F G C C
String the harps to Victory's voice, joyous noise

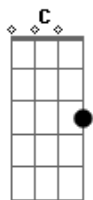

(Chorus 2x)

F F C F F G C
(REPEAT ABOUT 8x)
