

# Elton John - Candle in The Wind

Tom: E

A| - E - Gbm - E"

E A

Goodbye Norma Jean, Though I never knew you at all

E A

You had the grace to hold yourself, While those around you crawled

E A

They crawled out of the woodwork, And they whispered into your brain

E A

They set you on the treadmill, And they made you change your name

(Chorus)

E A

Goodbye Norma Jean, From the young man in the 22nd row

E A

Who sees you as something as more than sexual, More than just our Marilyn Monroe

(Chorus)

B A

Your candle burned out long before, Your legend ever did

E

Loneliness was tough, The toughest role you ever played,

E A

Hollywood created a superstar, And pain was the price you paid

E A

Even when you died, Oh the press still hounded you

E A

All the papers had to say, Was that Marilyn was found in the nude

E A

"And it seems to me you lived your life, Like a candle in the wind

E B

Never knowing who to cling to, When the rain set in

A Dbm

And I would have liked to have known you, But I was just a kid

B A

Your candle burned out long before, your legend ever will
