

# Elton John - Cartier

Tom: **A**

(Chorus:)

**A** **D** **A** **A7** **D** **A**  
 Oh Carol, don't let him steal your heart away,  
**E** **D** **A** **E**  
 I'm gonna learn to dance if it takes me all night and day.

**A**  
 Come into my machine so we can cruise on out,  
**A**  
 I know a swinging little joint where we can jump and shout.  
**D**  
 It's not too far back on the highway, not too long a ride,  
**A**  
 you park your car in the open, you can walk inside.  
**E**  
 A little cutie takes your hat and you can thank her ma'am,  
**A**  
 'cause every time you make the scene, the joint is jammed.

(Chorus)  
 (Instrumental)

(Chorus)

**A**  
 Well if you wanna hear some music like the boys are playin',  
**A**  
 hold tight, tap your foot, don't let it carry you away.  
**D**  
 Don't let the heat overcome you when they play so loud,  
**A**  
 why, the music will treat you when they get a crowd,  
**E**  
 Well, you can dance, I know you would, you could,  
**A**  
 I got my eyes on you baby 'cause you dance so good.

(Chorus)
