I'm gonna learn to dance if it takes me all night and day.

A

Come into my machine so we can cruise on out,

A

I know a swinging little joint where we can jump and shout.

D

It's not too far back on the highway, not too long a ride,

A

you park your car in the open, you can walk inside.

E

A little cutie takes your hat and you can thank her ma'am,

A

'cause every time you make the scene, the joint is jammed.

(Chorus)

(Instrumental)

(Chorus)

A

Well if you wanna hear some music like the boys are playin',

A

hold tight, tap your foot, don't let it carry you away.

D

Don't let the heat overcome you when they play so loud,

A

why, the music will treat you when they get a crowd,

E

Well, you can dance, I know you would, you could,

A

I got my eyes on you baby 'cause you dance so good.
