

Elton John - Circle of Life

```
Tom: Bb
                                                           And some of us sail through our troubles
                                                           And some have to live with the scars
                                  Afinação: Eb Ab Db Gb Bb
Eb Intro: Bb Gm Cm F
                                                            There's far too much to take in here
                                                           More to find than can ever be found
From the day we arrive on the planet
                                                           But the sun rolling high through the sapphire sky
And blinking, step into the sun
                                                           Keeps great and small on the endless round
There's more to be seen than can ever be seen
                                                                           Bb Bb Bb

Some say eat or be eaten
                                                                           Eb Eb Eb

                                                                        F
Some say live and let live
                                                                   Cm

But all are agreed as they join the stampede
                                                            Till we find our place
