

Elton John - Come Back Baby

```
Intro: C Dm7 Em Dm7 G C
Come back baby
Come back to me yeah
Dm7
            Em
And you will see yeah
Dm7
     Em
How I've changed
`Cause you're the only love that I ever had
          Fm
You're the only love that I ever had
Come back to me
Come back baby
Dm7
     Em
I did you wrong yeah
And this is the song I sing
  Dm7
I hope will bring you back to me
                 Am
`Cause you're the only love that I ever knew
         Fm
You're the only love that I ever knew

G
G
G
Am
Bdim
C
Dm
Come back come back
Chorus:
Come back baby
```

```
Come back and treat me right
Dm
Come back baby
Dm7
Come on back, I'll hold you tight
(INSTRUMENTAL VERSE )
Come back baby
Come back I'll treat you right
Come back baby
Dm7
Come on back
Come back and hold me tight
Come back baby
                     Em
Everything's gonna be fine right now
            Em
It's gonna be fine right now
Dm7
             Em
It's gonna be fine right now
`Cause you're the only love that I ever had
             Fm
Yeah you're coming back and I'm so glad
                    G G Am Bdim C Dm
You're coming back to me
(REPEAT LAST STANZA, FADE )
