Elton John - Come Back Baby

```
Tom: C
Intro: C   Dm7   Em   Dm7   G   C

C
Come back baby
Dm7          Em
Come back to me yeah
Dm7          Em
And you will see yeah
Dm7        Em
How I've changed
                  Am
`Cause you're the only love that I ever had
            Fm
You're the only love that I ever had
              G
Come back to me

C
Come back baby
Dm7          Em
I did you wrong yeah
Dm7                Em
And this is the song I sing
    Dm7              Em
I hope will bring you back to me
                  Am
`Cause you're the only love that I ever knew
            Fm
You're the only love that I ever knew
                G     G Am Bdim C Dm
Come back come back

Chorus:
Dm
Come back baby
```

```
Am
Come back and treat me right
Dm
Come back baby
Dm7          G
Come on back, I'll hold you tight

(INSTRUMENTAL VERSE )

Dm
Come back baby
Am
Come back I'll treat you right
Am
Come back baby
Dm7
Come on back
                   G
Come back and hold me tight

C
Come back baby
Dm7                        Em
Everything's gonna be fine right now
Dm7               Em
It's gonna be fine right now
Dm7             Em
It's gonna be fine right now
                           Am
`Cause you're the only love that I ever had
                 Fm
Yeah you're coming back and I'm so glad
                    G   G Am Bdim C Dm
You're coming back to me

(REPEAT LAST STANZA, FADE )
