

Elton John - Daniel

tom:
C

C Daniel is traveling tonight on a plane.
G I can see the red tail lights heading for Spain oh and,
F I can see Daniel waving goodbye.
F God it looks like Daniel, must be the clouds in my eyes.

C They say Spain's pretty, though I've never been.
G Daniel says it's the best place he's ever seen. Oh and,
F he should know, he's been there enough.
F God I miss Daniel, oh I miss him so much.

C Oh, Daniel my brother, you are, older than me.
F Do you still feel the pain, of the scars that won't heal?

Am Your eyes have died, but you see more than I.
Ab Daniel, you're a star, in the face of the sky.

F Oh, Daniel my brother, you are, older than me.
F Do you still feel the pain, of the scars that won't heal?
Am Your eyes have died, but you see more than I.
Ab Daniel, you're a star, in the face of the sky.

C Daniel is traveling tonight on a plane.
G I can see the red tail lights heading for Spain
oh and, I can see Daniel waving goodbye.
F God it looks like Daniel, must be the clouds in my eyes.
