

Elton John - Dirty Little Girl

Tom: D

(D C)

Bm
I've seen a lot of women who haven't had much luck

D
I've seen you looking like you've been run down by a truck

Bm
That ain't nice to say sometimes I guess I'm really hard

D
But I'm gonna put buckshots in your pants if you step into my yard

(D C)

When I watch the police come by and move you on
Well I sometimes wonder what's beneath the mess you've become
Well you may have been a pioneer in the trade of woman's wear
But all you got was a mop up job washing other people's stairs

(Oh she never...)

G
I'm gonna tell the world, you're a dirty little girl

F
Someone grab that bitch by the ears

Bm
Rub her down scrub her back

G
And turn her inside out

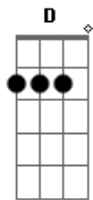

D
'Cause I bet she

A
I bet She, I Bet she

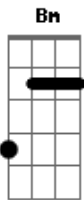

Bm
Oh I bet she hasn't had a bath in years

Here's my own belief about all the dirty girls
That you have to clean the oyster to find the pearl
And like rags that belong to you I belong to myself
So don't show up around here till your social worker's helped
