A - x02220
Bm - x24432
The stuff:
A, Bm, C#m, D, Eb
Showboat coming up the river
        Gbm
See her lanterns flicker in the gentle breeze
I can hear the crickets singing in the evening
            G
Old Dixie Lily moving past the cypress trees
My little boat she rocks easy
          Gbm
I've been catching catfish in the creek all day
Oh and I've never seen ladies like those on the big boats \begin{tabular}{ll} Gbm & G \end{tabular}
Must be fancy breeding lets you live that way
Dixie Lily, chugging like a grand old lady
Paddles hitting home in the noonday sun
```
