

Elton John - Don't Let the Sun go down on me

```
Don't let the sun go down on me,
   (Participação de George Michael)
                                                                   although I search myself, it's always someone else I see.
Intro: C-Bb-F-C-F-Dm
                                        F-G
                                                             F C
                                                                                                      F - G
1.
                      I can't light
                                          no more of your
                                                                   I'd just allow a fragment of your life
                                                                                                                to wander
darkness.
                                                               free, oh -
                                                                                                      Dm C F G C
                        G-F
G-F
- F-G
                                                                   but losing everything is like the sun going down on me.
                             seem to fade to black and white.
                                                                   - Bb - F - C - F - D G
     all my pictures
                                                      F C
                                                                           - C
      I'm growing tired,
                               and time stands still before
                                                                                    I can't find,
                                                               3.
                                                                                                       oh, the right romantic
mе,
                                                               line,
G-F
                                                               G-F
                                                                                                                G
      frozen here
                           on the ladder of my life.
                                                                                             and see the way I feel.
                                                                     but see me once
  F-G
                                                               F-G
                              F-G
2.
         It's much too late
                                    to save myself from
                                                               - C
falling,
                                                                     Don't discard me,
                                                                                             just because you think I mean
G-F
                                                               you harm.
-F-G
       I took a chance
                               and changed your way of life.
                                                                     But these cuts I have, oh they need love to help me
F-G
                                                               heal, oh!
       But you misread
                             my meaning when I met you,
                                                                                    C-Bb-F G#-Bb
                                                               Bb-F-G#-Bb-C
       closed the door
                              and left me blinded by the
                                                               REFRAIN
                                                                                                         REFRAIN
light.
