

Elton John - Don't Let the Sun go down on me

tom:

Intro: C C F C F G

I can't light no more of your darkness
 All my pictures seem to fade to black and white
 I'm growing tired and time stands still before me
 Frozen here on the ladder of my life

It's too late To save myself from falling
 I took a chance and changed your way of life
 But you misread my meaning when I met you
 Closed the door and left me blinded by the light

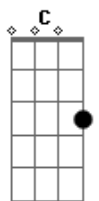

Don't let the sun go down on me
 Although I search myself, it's always someone else I see
 I'd just allow a fragment of your life to wander free
 But losing everything is like the sun go-----ing down on me

(C C F C F Dm)

I can't find oh the right romantic line
 But see me once and see the way I feel
 Don't discard me (baby no) just because you think I mean you harm
 But these cuts I have, oh they need love to help me heal Oh

Don't let the sun go down on me
 Although I search myself, it's always someone else I see
 I'd just allow a fragment of your life to wander free
 But losing everything is like the sun go-----ing down on me
