

# Elton John - Electricity

Tom: C

I can't really explain it, I haven't got the words  
 It's a feeling that you can't control  
 I suppose it's like forgetting, losing who you are  
 And at the same time something makes you whole

It's like that there's a music, playing in your ear  
 And I'm listening, and I'm listening, and then I disappear

And then I feel a change, like a fire deep inside  
 Something bursting me wide open, impossible to hide  
 And suddenly I'm flying, flying like a bird  
 Like Electricity, electricity  
 Sparks inside me, and I'm free, I'm free

It's a bit like being angry; it's a bit like being scared  
 Confused and all mixed up and mad as hell  
 It's like when you've been crying  
 And you're empty and you're full

I don't know what it is, it's hard to tell

It's like that there's some music, playing in your ear  
 But the music is impossible, impossible to hear

But then I feel it moves me  
 Like a burning deep inside  
 Something bursting me wide open  
 Impossible to hide  
 And suddenly I'm flying  
 Flying like a bird  
 Like Electricity, electricity  
 Sparks inside me  
 And I'm free, I'm free

Electricity sparks inside of me  
 And I'm free, I'm free

Oh, I'm free
