

Elton John - Electricity

Tom: C

I can't really explain it, I haven't got the words
 It's a feeling that you can't control
 I suppose it's like forgetting, losing who you are
 And at the same time something makes you whole

It's like that there's a music, playing in your ear
 And I'm listening, and I'm listening, and then I disappear

And then I feel a change, like a fire deep inside
 Something bursting me wide open, impossible to hide
 And suddenly I'm flying, flying like a bird
 Like Electricity, electricity
 Sparks inside me, and I'm free, I'm free

It's a bit like being angry; it's a bit like being scared
 Confused and all mixed up and mad as hell
 It's like when you've been crying
 And you're empty and you're full

I don't know what it is, it's hard to tell

It's like that there's some music, playing in your ear
 But the music is impossible, impossible to hear

But then I feel it moves me
 Like a burning deep inside
 Something bursting me wide open
 Impossible to hide
 And suddenly I'm flying
 Flying like a bird
 Like Electricity, electricity
 Sparks inside me
 And I'm free, I'm free

Electricity sparks inside of me
 And I'm free, I'm free

Oh, I'm free
