

# Elton John - Emily

Tom: C

Intro: C / / / / / / / Fm / / / / / / / Db / / / Eb / / /

Church bells ring out morning glory when summer bends to the winter's rage.

Emily walks through the cemetery. Passed a dog in an unmarked grave.

The old girl hobbles, nylons sagging. Talks to her sisters in the ground

I saw a lie in the mirror this morning. I heard a prophecy all around.

CHORUS:

And Em-i-ly - they come and go. The shadows - and the distant sounds.

But Em-i-ly - don't be afraid. When the weight of angels weighs you down.

Emily prays to a faded hero in a little frame clutched to her gown.

Hears the voice of promise in his memory.

Tonight's the night they let the ladder down.

In a cage sits a gold canary by a wicker chair and a rosewood loom.

As a soul ascends aboard the evening, Canary sings to an empty room.

{Repeat Chorus}
