            Cm
There isn't much I haven't shared
With you along the road
And through it all there'd always be
episode
Suddenly that isn't true
              Cm
There's another avenue
Beckoning the great divide
Ask no questions, take no side
Who's to say who's right or wrong
Whose course is braver run
Still we are, have always been
             \mathsf{Cm}
Will ever be, as one

Though the mist in my eyes might suggest
                       G
Just a little confusion about what I'll lose
But if I started over I know I would choose
