

Elton John - Goodbye yellow brick road

```
Tom: F
                                                               Back to the howling old owl in the woods, hunting the horny
   (intro) F C Dm Dm Bb C C7 F
                                                               black toad.
                                                    Rh
                                                                  Eb
                                                                                        Dm
When are you gonna come down, when are you going to land,
                                                               Oh I've finally decided my future lies
                                                                                       Bbm Eb Ab
I should have stayed on the farm, should have listened to my
                                                               beyond the yellow brick ro...ad, a....h, a....h.
old man.
     Gm
You know you can't hold me forever, I didn't sign up with you, What do you think you'll do then? I bet that'll shoot down
                                                               your plane,
I'm not a present for your friends to open,
                                                                      Eb
                                                               it'll take you a couple of vodka and tonics to set you on your

                                                   Ab Db Bbm
                                                               feet again.
this boy's too young to be singing the blu..es, a....h,
                                                               Maybe you'll get a replacement, there's plenty like me to be
                                                               found.
                                                                Eb
So goodbye yellow brick road where the dogs of society howl,
                                                               mongrels who ain't got a penny,
                                                                                                   Bbm Eb Ab
you can't plant me in your penthouse, I'm going back to my
                                                               sniffing for tidbits like you on the ground, a....h, a....h.
plough.
\mathsf{Dm}
                                                               (refrain)
