

# Elton John - Gypsy Heart

Tom: **G**

Intro: **G D Em C D**

**G** **D**  
You win again, you gypsy heart  
**Em** **C**  
I count the days that we're apart  
**D** **E**  
I sleep alone when you're away  
**Am** **F** **D**  
No sense in saying 'I wish you'd stay'  
**G** **D**  
It's all the same, you never change  
**Em** **C**  
You come and go just like the rain  
**D** **E** **Am**  
I pray each day that you are gone this time  
**D** **G** **F**  
It won't be so long

**Bb** **F**  
Your gypsy heart will never find  
**Gb** **Gm**  
Any arms as warm as mine

**F** **Eb**  
And gypsy when we meet again  
**Gm** **Cm**  
I'll play my part  
**Gm** **Eb**  
And wrap you up inside my arms  
**F** **Bb**  
Oh you gypsy heart  
**F**  
Your gypsy heart can always call  
**Gb** **Gm**  
When your back's against the wall  
**F** **Eb**  
And darling then I'll just pretend  
**Gm** **Cm**  
Right from the start  
**Gm** **Eb** **F** **G** **D** **Em** **C** **D**  
You never left me on my own oh you gypsy heart  
**E**  
I pray each day that you are gone  
**Am** **D** **G** **F** **Bb**  
This time oh it won't be so long

## Acordes
