

## **Elton John - Harmony**

```
Tom: C
                                                               I dream of the never, never, never leaving Harmony.
                       C
      Baby, Hello.
                    Haven't seen your face for a while.
Have you quit doing time for me? Or are you still the same
                                                               Hello. Baby, Hello.
                                                                                    Open up your heart and let your
spoiled
                                                               feelings flow.
child?
                                                                                  Dm
                                                                                            Dm
                                                               You're not unlucky knowing me keeping the speed real slow.
Hello. I said Hello. Is this the only place you thought to
go?
                                                               D G
                                                               / | A |
                      Dm
Am I the only man you ever had?
                                                               In any case I set my own pace by stealing the show. Say Hello.
                                                               Hello.
    Or am I just the last surviving friend that you know?
                                                               {Repeat Chorus}
                                                               ...never leaving Harmony.
                                                                                                   Harmony.
                                                                                                                     Harmony.
           Α7
                      D
                                 Db Bm
                                                                                                    G
                                                                 Em
Harmony and me, we're pretty good company.
                                                                Harmony.
                                                                                  Harmony.
                                                                                                    Harmony.
              Α7
                                                               Harmony.
Looking for an island in our boat upon the sea.
                                                                             Ahh - ahh!
                                                                Harmony.
Harmony, gee I really love you and I want to love you forever.
```
