D7
When I look back boy I must have been green
G
Bopping in the country, fishing in a stream
D7
Looking for an answer trying to find a sign
G
Until I saw your city lights honey I was blind

          B7
They said get back honky cat
Better get back to the woods
          E7
Well I quit those days and my redneck ways
     D7                                G
And oh the change is gonna do me good
          B7
You better get back honky cat
Living in the city ain't where it's at
          E7
It's like trying to find gold in a silver mine
          D7                                        G
It's like trying to drink whisky from a bottle of wine

          D7
Well I read some books and I read some magazines
          G
About those high class ladies down in New Orleans
          D7
And all the folks back home well, said I was a fool
     G
They said oh, believe in the Lord is the golden rule

          B7
They said get back honky cat
Better get back to the woods
          E7
Well I quit those days and my redneck ways
     D7                                G
```

And oh the change is gonna do me good

                   D7
They said stay at home boy, you gotta tend the farm
     G
Living in the city boy, is going to break your heart
          D7
But how can you stay, when your heart says no
     G
How can you stop when your feet say go

          B7
They said get back honky cat
Better get back to the woods
          E7
Well I quit those days and my redneck ways

It's like trying to find gold in a silver mine
          D7                                        G
It's like trying to drink whisky from a bottle of wine

D7                                              G
   Get back honky cat, get back honky cat, get back
D7                                              G
