

Elton John - I Guess That's Why They Call It The Blues

Tom: C
Intro: C Em F C Em F

Verso 1:
Don't wish it away
Don't look at it like it's forever

Between you and me
I could honestly say
that things can only get better

Pré-Refrão 1:
And while I'm away
Dust out the demons inside
And it won't be long
Before you and me run
To the place in our hearts
where we hide

Refrão 1:
And I guess that's why
They call it the blues
Time on my hands
Could be time spent with you
Laughing like children
Living like lovers
Rolling like thunder, under the covers
And I guess that's why they call it the blues

Verso 2:
Just stare into space
Picture my face in your hands

Live for each second
Without hesitation,
And never forget I'm your man
Pré Refrão 2:
Wait on me girl,
Cry in the night if it helps
But more than ever I simply love you
More than I love life itself

Refrão 2:
And I guess that's why
They call it the blues
Time on my hands
Could be time spent with you
Laughing like children
Living like lovers
Rolling like thunder, under the covers
And I guess that's why they call it the blues
