

# Elton John - If The River Can Bend

Tom: C

I don't know what to say  
 I don't know where the light shines  
 It's a grey dawn rising on a green hill  
 And there's so much behind us  
 I don't know where we go  
 I sure feel there's something out there  
 There's a great awakening and a new morning  
 And your spirit's pounding loud and clear  
 If the river can bend  
 I'll find you waiting

Home at last from the wild sea  
 All the twists and turns  
 We've made together  
 All the boats you rocked  
 With your harmony  
 If the river can bend  
 If the river can bend  
 If the river can bend  
 If the river can bend  
 Come and embrace the struggle  
 But win or lose we live here  
 Build a new beginning on an old rock  
 Breathe deep of the sweet fresh air
