

# Elton John - I'm Gonna Love Me Again

tom: C

Intro: C

[Primeira Parte]

Oh, the C joke was never hard to tell

Threw my A fair change in the wishing well

The Dm dream alone is always in your hands

If that don't fill the boy and build the man G

C A heart has many secrets, so I'm told

Through the years, a A theory can grow cold

I'm Dm up to be the king, it's gotten clear

The Fm voice inside my head is the one I hear G

[Refrão]

Db Singing, I'm gonna love me again

Ebm Check in on my very best friend

Ab Find the will to fill my cells

Db Rise above the broken rails

Bbm Unbound by any ties that break or bend Db

Gb I'm free, and don't you know?

Ebm No clown that claimed he used to know me then

F I'm free, and don't you know?

Ebm Gb Ab Db And oh-oh-oh, I'm gonna love me again

[Segunda Parte]

C The golden age was somehow bittersweet

A But now the past lies sleepin' in the deep

Dm The peaceful days that followed hollow nights

Fm A kiss or touch could feel like Kryptonite G

C Praise the saints that hung up on my wall

A For trust is left in lovers after all

Dm A whispered word emergin' from a tale

Fm G My wake-up call to claim the cursed spell
