

Elton John - I've Seen That Movie Too

tom:
Fm (forma dos acordes no tom de Em)
Capostrate na 1ª casa

I can see by your eyes you must be lying
When you think I don't have a clue
Baby you're crazy
If you think that you can fool me
Because I've seen that movie too

The one where the players are acting surprised
Saying love's just a four letter word
Between forcing smiles, with the knives in their eyes
Well their actions become so absurd

So keep your auditions for somebody
Who hasn't got so much to lose
'Cause you can tell by the lines I'm reciting
That I've seen that movie too

So keep your auditions for somebody
Who hasn't got so much to lose
'Cause you can tell by the lines I'm reciting
That I've seen that movie too

[Piano Break]

It's a habit I have, I don't get pushed around
Stop twinkling you star like you do
I'm not the blue-print
For all of your films

Because I've seen that movie too

The one where the players are acting surprised
Saying love's just a four letter word
Between forcing smiles, oh, with the knives in their eyes
Oh, their actions become so absurd

So keep your auditions for somebody
Who hasn't got so much to lose
'Cause you can tell by the lines I'm reciting
That I've seen that movie too

So keep your auditions for somebody
Who hasn't got so much to lose
'Cause you can tell by the lines I'm reciting
I've seen that movie too

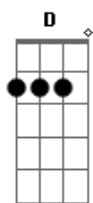

[Piano Break]
[Solo]

So keep your auditions for somebody
Who hasn't got so much to lose
'Cause you can tell by the lines I'm reciting
I've seen that movie too

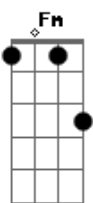

So keep your auditions for somebody
Who hasn't got so much to lose
'Cause you can tell by the lines I'm reciting
I've seen that movie too
