

Elton John - Kiss The Bridge

Tom: C
Intro: C C F C F F F G G G C G C

Well she ^{Dm7}looked a peach in the dress she made
when she was ^{Em7}still her mama's little girl.

And when she ^{Dm7}walked down the aisle everybody smiled at her ^{Em7}innocence and curls.

And when the preacher said is there anyone here
got a reason why they shouldn't wed?
I should have stuck up my hand. I should have got up to
stand.

And this is what I should have said:
I wanna kiss the bride yeah!

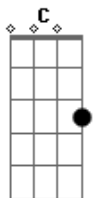

I wanna kiss the bride yeah!
Long before she met him she was mine, mine, mine.
Don't say "I do". Say "bye, bye, bye"
And let me kiss the bride yeah!

Underneath her veil I could see a tear trickling down her pretty face.

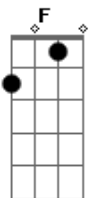

And when she slipped on the ring I knew everything would never be the same again
But if the groom would have known he'd have had a fit
about his wife and the things we did.

And what I planned to say, yeah on her wedding day.
Well I thought, I thought it but I kept it hid.
