Well she ^{Dm}looked a peach in the dress she made
when she was ^{Em}still her mama's little girl.

got a reason why they shouldn't wed?
^FI should have stuck up my hand. ^{C F C G}I should have got up to

stand.
^CAnd this is what I should have said: ^F
^{G G}

I wanna kiss the bride yeah!
^{C C F C F F F G G G C G}
^{C C F C F F F G G G C G G}

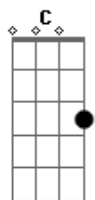

I wanna kiss the bride yeah!
^ALong before she ^{Dm}met him she was mine, mine, mine.
^CDon't say "I do". ^{F C F}Say "bye, bye, bye"
^{C G}And let me kiss the bride yeah! ^{C C F C F F F G G G C G}

^{Dm}Underneath her veil I could see a tear trickling down her pretty face.
And when she ^{Dm}slipped on the ring I knew everything would never ^{Em}be the same again

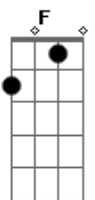

But if the groom would have known he'd have had a fit
^{Am}about his wife and the things we did. ^{Bb F Bb F Bb C Bb}

And what I planned to say, yeah on her wed ^Fding day. ^{C F C G}
^CWell I thought, I thought it but I kept it hid. ^{F G G}
