

# Elton John - Love Song

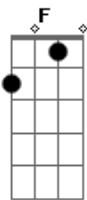

Tom: **F**  
Intro: Gm, C7, and **C**.  
**Gm**  
The words I have to say **C7**  
May well be simple but they're true,  
**Gm**  
Until you give your love, **C7**  
There's nothing more that we can do.  
**Gm** **C7**  
Love is the opening door  
**Gm** **C7** **C** **C7** **C**  
Love is what we came here for  
**Gm** **C7** **C** **C7** **C**  
No one could offer you more  
**Gm** **C7**  
Do you know what I mean?  
**Gm** **C7**

Have your eyes really seen?  
**Gm**  
You say it's very hard **C7**  
To leave behind the life we knew,  
**Gm**  
But there's no other way **C7**  
And now it's really up to you  
**Gm** **C7**  
Love is the key we must turn.  
**Gm** **C7** **C** **C7** **C**  
Truth us the flame we must burn.  
**Gm** **C7** **C** **C7** **C**  
Freedom the lesson we must learn.  
**Gm** **C7**  
Do you know what I mean?  
**Gm** **C7**  
Have your eyes really seen?
