Just you and me at a crossroads then
Ain't it funny how we were old friends
Accidentally thrown together
Did we intend
To be the romantic novel you never want to end

And how I kind of wound up the lyrics to your tune

You said, 'Funny but it feels like I've known you all my life
G C D

In the candlelight I can recall
Your naked shadow looking ten feet tall
Like a wild pony dancing
Along the wall
Off balance I found love the only place to fall
