No one's going to find us. It's wonderful, so wild beneath

the sky.

{Repeat Intro}

Sleeping in the open, see the shadows softly moving.  
Take a train towards the southlands. Our time was never better.  
We shall pass the sights of splendor on the door of a new life.  
It had to happen soon I guess whether it is wrong or it is right.

{Repeat Chorus}

We learned to be so graceful watching wild horses running.  
And from those agile angels we knew the tide was turning.  
For we watched as on the skyway - the herons circled slowly.  
While we mere mortals watched them fly our sleepless eyes grew heavy.

{Repeat Chorus Twice}
