

Elton John - Return to Paradise

```
And I \, got a feeling we will meet again when we return to
Intro: F G C C F C G
                                                                 paradise.
                                                                 C G7sus G7 C F - C C G It's par - a - dise here - where the sun meets the
Dm Am Bb Dm7 C G F
There's nothing to fear and so much to be.
C G7sus G7 C F C C G
But soon I must go, say goodbye to it all.
Dm Am Bb Dm7 C G
                                                                 There's no need for tears and no time for lies.
                                                                 C G7sus G7 C F - C
So reach out your hand -
Dm Am Bb Dm7 C G
Remember me while we are apart.
                                                                                                            C G
                                                                                                    and I'll reach out my heart.
That homeland of mine is begin - ning to call.
                                                                 {Repeat Chorus}
CHORUS:
{no chord - vocal tacet}
                                                                 I'm heading homeward. Leaving sunshine and heading for rain.
                                                                  F G C C F C G C G7sus - G - C C G7sus - G
Fading dreams grow cold as ice.
                                             F G C C F C But we'll return to paradise again.
Coda: C G7sus - G - C C G - G7 - C
                                  С
