

## **Elton John - Runaway Train**

```
Intro: Em Am C B7 Em
VERSE 1:
         Fm
There's a hungry road I can only hope's
    Am
Gonna eat me up inside
There's a drifting spirit coming clean
      Am
In the eye of a lifelong fire
    Em
Tell Monday I'll be around next week
I'm running ahead of my days
     C
In the shotgun chance that scattered us
            Am
I've seen the error of my ways
     C B7
                   Em
Oh oh oh,
              Oh oh oh
VERSE 2:
Well we've wrapped ourselves in golden crowns
Like sun gods spitting rain
Found a way home written on this map
Like red dye in my veins
In the hardest times that come around
The fear of losing grows
```

```
I've lost and seen the world shut down
It's a darkness no one knows
Oh oh oh, oh oh oh
CHORUS:
And I've poured out the pleasure and dealt with the pain
Standing in a station waiting in the rain
I'm starting to feel a little muscle again
But love is lost like a runaway train
Oh I'm out of control and out of \mbox{\it my} hands
I'm tearing like a demon through no man's land
Trying to get a grip on my life again
            D
Nothing hits harder than a runaway train
