

Elton John - Simple Life

Tom: **E**

Intro: **G E G D A A**
G E G D A

VERSE 1:

E
 There's a breakdown on the runway, And the timeless flights
 are gone

D A
 I'm a year ahead of myself these days, And I'm locomotive
 strong

E
 My city spread like cannon fire In a yellow nervous state

D A E
 I can't cut the ties that bind me To horoscopes and fate

CHORUS:

D A D A
 And I won't break and I won't bend

D A E
 But someday soon we'll sail away

B B7 E E7
 To innocence and the bitter end

D A D A
 And I won't break and I won't bend

D A E
 And with the last breath we ever take

B B7 A E

We're gonna get back to the simple life again

BRIDGE:

G E G D A A
G E G D A

VERSE 2:

When we break out of this blindfold I'm gonna take you from
 this place

Until we're free from this ball and chain I'm still hard
 behind the eight

My city beats like hammered steel On a shallow cruel rock

If we could walk proud after midnight We'd never have to stop
