

Elton John - Someone saved my life tonight

Tom: Bb

Intro: Ab Db (2x)

Verse 1:

When I think of those East End lights
Muggy nights
The curtains drawn in the little room downstairs
Prima Donna lord you really should have been there
Sitting like a princess perched in her electric chair
And it's one more beer
And I don't hear you anymore
We've all gone crazy lately
My friends out there rolling round the basement floor
Ah ah ah ah ah ah ah
And someone saved my life tonight sugar bear
You almost had your hooks in me didn't you dear
You nearly had me roped and tied
Altar-bound, hypnotized
Sweet freedom whispered in my ear
You're a butterfly
And butterflies are free to fly
Fly away, high away bye bye
Ooh ooh ooh ooh ooh ooh ooh
Intro: Ab Db (2x)

Verse 2:

I never realized the passing hours

Afinação: Eb Ab Db Gb Bb

Of evening showers
A slip noose hanging in my darkest dreams
I'm strangled by your haunted social scene
Just a pawn out-played by a dominating queen
It's four o'clock in the morning
Damn it listen to me good
I'm sleeping with myself tonight
Saved in time, thank God my music's still alive
Ah ah ah ah ah ah

Back To Chorus
Intro: Ab Db (2x)

Bridge:

And I would have walked head on into the deep end the river
Clinging to your stocks and bonds
Paying your H.P. demands forever
They're coming in the morning with a truck to take me home
Someone saved my life tonight, someone saved my life tonight
Someone saved my life tonight, someone saved my life tonight
Someone saved my life tonight
So save your strength and run the field you play alone

Back To Chorus Again

(Then go to the ending)
