

# Elton John - Something About The Way You Look Tonight

Tom: Gb

Intro: Gb Bbm Ebm Db Ab

There was a time

I was everything and nothing all in one

When you found me

I was feeling like a cloud across the sun

I need to tell you

How you light up every second of the day

But in the moonlight

You just shine like a beacon on the bay

And I can't explain

But it's something about the way you look tonight

Takes my breath away

It's that feeling I get about you, deep inside

And I can't describe

But it's something about the way you look tonight

Takes my breath away

The way you look tonight

With a smile

You pull the deepest secrets from my heart

In all honesty

I'm speechless and I don't know where to start

The way you look tonight

The way you look tonight

The way you look tonight

The way you look tonight

The way you look tonight

The way you look tonight

The way you look tonight

The way you look tonight

The way you look tonight

## Acordes
