```
Gm                                  Cm
What have I got to do to make you love me
   F                            Bb  Am   D7
What have I got to do to make you care
  Gm                          Cm
What do I do when lightning strikes me
F                                  Bb  Am   D7
And I wake to find that you're not there
  Gm                          Cm
What do I do to make you want me
    F                      Bb  Am   D7
What have I gotta do to be heard
 Gm                          Cm
What do I say when it's all over
   F                         Bb

                D7              Gm   Am D7
And it's getting more and more absurd

It's sad      it's so sad
                Em            Eb7

Always seems to me
