You say today was not so easy **Eb**

Pressure tends to get the best of you **Eb**
F
Well don't let them break your spirit **Gm**
Keep the faith and you will come on through **Bb**
And I'll head home for the weekend **Cm**
You're tired and you know I'll understand **Eb**
Just be waiting on the front steps baby when I get there **F F F**

And take a giant step into my hands
And slip into my soul **Eb Bb** glove **F**
Pull it on we got a tight fit **G7 Cm**
Never take it off **Eb Bb**
And baby if the seam's rough **F**
And honey if the skin's soft **G7 Cm**
You and me we go together **F Eb Bb G7 Cm Eb**
Oh like a soul glove
Look at me don't you believe me
Cheating hangs a noose around your neck
To shave in someone else's mirror
Is one desire I haven't dreamed of yet
But I'll head home for the weekend
You're tired and you know I'll understand
Just be waiting on the front steps baby when I get there
And take a giant step into my hands
