Elton John - Take Me Back

Tom: Ab

```
    Elton John - Take Me Back

                    Ab        Bb          Eb          Ab
If you want my loving,       take me back.
Eb              Ab                  Bb            Eb - Ab
If you miss my touch little girl,       take me back.
Eb                  Ab      Bb                    Cm - Gm - F
When the dreams you lean on       are beginning to crack -
                    Ab          Cm      F        Bb        Eb
Db - Ab
      open up your heart little girl oh-oh and take me back.

Eb          Eb Ab    Bb              Eb      Ab
If you want  my  loving,    then take me back.
Eb                  Ab                  Bb          Eb - Ab
If you're on your own little girl,     take me back.
Eb                  Ab      Bb                    Cm -
Gm - F
When the nights grow longer   -   turning blacker than black -
                    Ab          Cm      F        Bb        Eb
Db - Ab
      open up your heart little girl oh-oh and take me back.

Eb                          Bb          Ab        Eb
Playing a part you're well prepared for, there you stand.
              Bb        Ab      Eb
```

```
With all I ever cared for in your hand.
            G           Cm  Eb        Ab                  Gm
I'm waiting all the time  for  some kind of sign from you.
Cm          Eb  Ab              Eb
      And I'll go on and on this way.
Ab              Eb        Ab              Eb          Bb
Waiting for the day when I will hear you say you'll take me
back.

                    Ab        Bb          Eb - Ab
If you want my loving,     take me back.
Eb                  Ab                  Bb                    Cm
- G7(add A )
If you're feeling down little girl,     then you'll take me
back.
Cm          Eb  Ab          Bb                      Cm - Gm -
F
When you  look    around you    for the love that you lack -
                Ab          Cm      F
      open up your heart little girl, oh-oh.
        Bb      Ab          Cm      F
You got my heart little girl, oh-oh.
Bb          Ab          Cm      F          Bb      Ab      Eb
Bb
Make a start little girl - and say you'll take me  back.
Take me back.
                (Melodia:  G   F      Ab  G   G-F-Eb )
```
