

# Elton John - Talking Old Soldiers

Tom: Eb  
 why hello  
 say can i buy you another glass of beer  
 well thanks alot, thats kind of you  
 its nice to know you care  
 these days theres so much going on  
 no one seems to want to know  
 I may be just an old soldier to some  
 but i know how it feels to grow old  
 yeah thats right  
 you can see me here most every night  
 youll always see me staring at the wall and the lights  
 funny i remeber though its years ago id say  
 id stand at the bar with my friends whove passed away  
 and drink three times the beer that i can drink today  
 yes i know how it feels to grow old

i know what theyre saying son  
 there goes old mad joe again  
 well i maybe mad at that ive seen enough  
 to make a man go out his brain  
 well do they know what its like to have a grave yard as a friend  
 cause thats where they are boy all of them  
 dont seem likely that ill get friends like that again  
 well its time ive moved off  
 but its been great just listening to you  
 and i might even see you the next time im passing through  
 youre right threse so much going on  
 no one seems to want to know  
 so keep well, keep well old friend  
 and have another drink on me  
 just ignore all the others  
 youve got your memories  
 youve got your memories
